Welcome

WELCOME TO THE TRI-COUNTY HOME SHOW!

Shop over 300 booths in the air-conditioned Roebbelen Center. Visit the "How-To" Seminars and learn about creating your own remodeling project! Meet the contractor who will build your dream kitchen or backyard paradise; each contractor has been verified with the Contractors State License Board (CSLB) to be in good standing with the state. (After the show, be sure to do your due diligence and check again with the CSLB as a contractor's status can change). Bring your blueprints, drawings and dreams to The Tri-County Home & Garden Show & Tiny House Expo, August 18, 19, & 20, 2023, at the new Roebbelen Center!

COCKTAIL corner

Our Cocktail Corner, located in the entry lobby of the Roebbelen Center, will offer a variety of wine, beer, and cocktails - including Bloody Mary's and Margaritas! This is the place to fuel up before walking the show, or to wind down after experiencing the event. Plenty of seating available!

MUSIC BY JOHN PEMBERTON!

The Cocktail Corner will be hosting John Pemberton, a central valley country musician and Tri County Show favorite. John will be entertaining attendees all three days of the event beginning on Friday, August 18, at 2 p.m. On Saturday and Sunday he'll start at 11 a.m.

TINY MOUNTAIN HOUSES

Filled with unique touches and hand-selected woods, and coupled with particular attention to detail in the structural and functional aspects of the home, our tiny houses will withstand the bumps and winds of the highway, while looking like a million bucks! We work with single-level and lofted floor plans, and incorporate a wide array of great design features and affordability options to make your new house a truly comfortable home.

FOREVER TINY HOMES

Every Forever Tiny Home is crafted with compassion & knowledge of this unique industry. What helped us grow from being one of the nation's first manufacturer to our ever growing facility, is using the state of the art equipment and understanding what our clients needs are. Every tiny home has to pass our rigorous quality control check system, which includes but is not limited to: propane, electrical & general consumer safety. Our focus is to bring a high quality product at a fair price.

ANCHORED TINY HOMES

Helping homeowners across the nation earn more money, bring family closer together and create more space to thrive with our high quality, affordable custom-built ADUs based on 30 years of industry experience.

FAMILY HOME DESIGN

At Family Home Design, quality is our mission. No matter what you're looking for, we're committed to bringing you exactly what you need, when you need it. Our customers love working with us because we produce high quality products with an exceptionally fast turnaround.

TINYHOUSE

EXPO & CONFERENCE

The Tiny House Expo will showcase not only tiny houses and their builders but some unique and creative alternatives, including: tiny homes on wheels, ADUs, custom garages, studios & sheds, and even vans that you can rent to try out tiny living for the weekend! In addition to the display of tiny houses, be sure to plan to attend the Tiny House Seminar Series where industry leaders educate and share their knowledge on how to live tiny!

MENDO TINY HOMES

At Mendo Tiny Homes, we understand the growing demand for minimalist living and the desire for a smaller ecological footprint. That's why our team of skilled craftsmen combines their expertise with innovative design to create beautifully crafted tiny homes that maximize space, functionality, and energy efficiency.

SCENIC VANLIFE RENTALS

At Scenic Vans, we're dedicated to crafting unforgettable experiences. Our mission is to provide the keys to your dream adventure, offering the opportunity to try a luxury custom sprinter van before you take the leap. Discover the exhilaration of vanlife – it's a true game changer - that can transform your perspective and open doors you never knew existed!

PACIFICA TINY HOMES

Welcome to Pacifica Tiny Homes, where we bring your tiny house dreams to life. As a family-owned and operated company, we've built over 250 tiny homes, priding ourselves on exceptional customer service and high-quality craftsmanship. Our mission is to make tiny home ownership accessible to everyone!

GARDENING PAVILION

Flower Societies

As you stroll through the Garden Pavilion located in the Tri-County Home & Garden Show, be sure to visit the variety of area Flower Societies and other garden programs! This is a popular venue for gardeners & horticulture enthusiasts! Please see the map in the back of the show program to locate the Garden Pavilion.

American Bonsai Association of Sacramento, Nevada County Bonsai Club, Sierra Bonsai Club & Sacramento Bonsai Club

The American Bonsai Association of Sacramento educates and promotes the ancient art of Bonsai, holds workshops and provides for the exchange of ideas, experiences and information relating to bonsai.

Sacramento Orchid Society

The Sacramento Orchid Society is an educational organization dedicated to providing information on the cultivation of orchids to the greater Sacramento community. The Society's very active membership grows an almost unimaginable number of orchid species and hybrids on windowsills, patios, in yards, under lights, and in greenhouses.

American Fuchsia Society

The Sacramento Branch of the American Fuchsia Society is dedicated to the purpose of acquainting flower enthusiasts with the beauty of fuchsias and teaching techniques for growing healthy blooming plants.

Delta Gesneriad and African Violet Society

The Delta Gesneriad and African Violet Society is dedicated to African Violets and their "cousins." This organization educates its members with guest speakers on the newest cultivars, growing advice, hands-on workshops, plants and supplies.

UCCE Placer County Master Gardeners

The University of California Cooperative Extension in Placer County is a group of certified volunteers who focus on helping you succeed in your home garden, landscape and orchard, through public education and outreach.

Sacramento Area Beekeepers Association

The Sacramento Area Beekeepers Association has been Sacramento's premier beekeeping organization since the 1970's. Their primary goal is to increase the public awareness of bees as pollinators and they also are a great resource for those interested in beekeeping as a hobby. Stop by their booth in the Garden Pavilion to learn more about bees and the people who love them!

Sacramento Floral Design Guild

Founded in 1951, the Sacramento Floral Design Guild is dedicated to the advancement of floral design and the promotion of civic and environmental responsibilities. Members regularly present their own floral designs to the guild and guild members will share their own tips and techniques for the advancement of the craft. Stop by their booth in the Garden Pavilion to meet the members of this fantastic organization and get some floral design tips of your own!

Sacramento Cactus & Succulent Society

Going back all the way to 1960, the Sacramento Cactus & Succulent Society has been holding meetings where long-time members and curious newcomers alike share their interest for this group of hardy, beautiful plants! The organization regularly holds giveaways, takes field trips and has monthly educational presentations. Stop by their booth to see some of their favorite plant specimens and find out more about how you can grow your own!

The 2023 Art of Floral Design Competition will showcase beautiful flower arrangements from florists and local designers in the Sacramento region. The competition will take place on Friday, August 18th, with three judges from the Sacramento Floral Design Guild awarding a first, second and third prize.

Judges will consider elements of balance, contrast, proportion, rhythm, scale and dominance for their verdicts. All of the floral arrangements will be on display in the Garden Pavilion for the duration of the home show, so please head in that direction (see the map in the back of the show program) for the best in what Sacramento area floral design has to offer!

Home & Garden Project Seminars

After viewing the Home, Garden, Improvement and Remodeling companies at the show, be sure to stop by and listen to the experts on how to go through the proper steps! The seminars are located in the North West portion of the building next to the Garden Pavilion - please see the map in the back of the show program for further directions!
